

Peregrine Falcons nest at St. Michael Church

Photos by Bob Vogelzang

Peregrine Falcons (*Falco peregrinus*) successfully raised young at St. Michael's Church in Chicago, Cook County during the summer of 2011.

The photo of the adult on the cross was taken 31 May 2011.

The photos of the young being fed by an adult were taken between 12 June 2011 and 17 June 2011.
