Submission Information

➤ We welcome manuscripts, photographs, and illustrations for possible publication in *Meadowlark*.

➤ Article topics include unusual bird sightings and nesting accounts, technical papers on bird research, and other articles such as bird finding guides and field identification tips. Joy of birding articles will be considered.

➤ Manuscripts should be computer-generated, double spaced and printed on only one side of numbered pages. Please send two copies of your manuscript and make sure you keep another for yourself.

➤ We require a computer disc in Word or Word Perfect or an electronic file.

➤ We prefer digital or electronic files (200-300 dpi.) Clear black and white or color print photographs are also acceptable.

➤ Include name, address, and day and night time phone numbers. Other pertinent information about your qualifications and background is also helpful.

➤ We reserve the right to review and edit articles according to style, grammar, accuracy, and readability. Send articles, photographs, illustrations & inquiries to:
