

## Mega rarities

Illinois birders may not have had the chance to see the rare birds featured on this page.

Two of three were one-day wonders and two of the three were first-state records.

*Meadowlark* gives us the chance to vicariously observe these birds.

Take a look.

Maybe one of these will show up within the next 20 years of IOS's existence.

A

B

C

Name these birds and where and when they were seen in Illinois.

We'll feature the answers online at [www.illinoisbirds.org](http://www.illinoisbirds.org).
