IBSP	= Illinois Beach SP (Lake Co)		
Jamestown β	= Jamestown BBS (Clinton/Madison Cos)		
Kell β	= Kell BBS (Marion Co)		
Kennekuk P	= Kennekuk Cove Park (Vermilion Co)		
Knoxv.	= Knoxville (Knox Co)		
LCal	= Lake Calumet & vicinity (Cook Co)		

A number in parentheses ( ) indicates the number of birds observed at a particular location or on a particular date. No number signifies single birds. Place names given in italic type are counties. The sequence of records within species accounts, except for maximum counts, begin in northwest Illinois (Jo Daviess, Carroll and Whiteside counties), proceed to the east, then continue back and forth across the state in a systematic pattern with the southernmost records at the end.
