The Hooters - April 28, 2007

Started at midnight, working towards the ultimate goal of 10 species per hour... 22 hours & 200+ miles later, we'd won the Birding Blitz Big Day category & set a new Illinois state Big Day record for April: 173 species.

Walked a marsh, found Virginia and King Rails, American Bitterns and a Sora.

Went from 75 to 0 MPH in just seconds on I-57 for a Black Vulture. (kds, don't try that at home) Called in a Barn Owl out of nowhere on a hunch.

Not just a Big Day but a Great Big Day!
