Month Lists: Regional Top Five & County Big Months

Regional Big Months (top five per region)

Pretty much non-stop birding by Pete Moxon led to an amazing nine new high counts for Northern Region Big Months – limited by the fact that he was out of the state for most of April, May and June! Pete also reported new high totals for Multi-Region Big Months in January and February. Still noteworthy were the second place showings by other birders: Al Stokie (Northern – January), Andrew Aldrich (Northern – February), and Frank Holmes (Southern – March).

County Big Months

Hamilton, Johnson, Peoria and Whiteside are listed for the first time in this report. We now have 28 counties reporting, but only seven of those have monthly totals over 150, so there is lots of opportunity for fame and glory to be gained by submitting your monthly totals! Taylor's April total for Johnson County and Carlson's September total for Peoria County are tied for the highest number among the 2012 submissions. It is likely that we'll be including monthly totals next year (e.g. January totals, etc.) so keep those monthly lists!

(100 minimum; 150 in Cook & Lake)
