

IOS Listers Corner 2012

Total Counties per Species List - Central Region

(Top five totals per county - 40 possible counties)

Given that there are more counties in the Central Region (40) than other regions, and a relatively small population to produce resident birders, it is perhaps not surprising that 'only' 53 species have been 'closed out' for this region by at least one lister. Some individual accomplishments stand out though, especially in cases where one birder has a considerable lead over any of the other submissions. Examples include Greater Scaup (Walters 15 counties ahead), Barred Owl (Edmonds 10 counties ahead), Blue Grosbeak (Mountjoy 11 counties ahead) and Purple Finch (Baum 11 counties ahead). Feel free to browse through and pick out your own highlights!

The *Illinois Regional Map* can be accessed from the Listers Corner home page.

"Multiple observers" means that 5+ birders have reported the same total.
