

IOS Listers Corner 2013

Total Counties per Species List - Central Region

(Top five totals per species - 40 possible counties)

With a new, thorough compilation of results from Pete Moxon, updates after two years from Mike Baum and Eric Walters, and more, there are a lot of impressive new numbers in this year's report. For some specific examples, check out the number of Greater Scaup counties for Eric Walters, Black-billed Cuckoo counties for Pete Moxon, Gray-cheeked Thrush counties for Michael Baum or Blue Grosbeak counties for Jim Mountjoy. Then check out the hundreds of other numbers here, representing thousands of happy moments in the field.

The *Illinois Regional Map* can be accessed from the Listers Corner home page.

"Multiple observers" means that 5+ birders have reported the same total.

(updated 4/2/14)
