

IOS Listers Corner 2015

Total Counties per Species List - Southern Region

(Top five totals per species - 38 possible counties)

Once again, the addition of regional TCPS numbers for Jeff Chapman and the closed-out species contributed by Andy Sigler substantially changes the composition of these listings, along with updates from a number of other active county listers. Sigler and Chapman have added ten new closed-out species between them, including four warbler species (Tennessee Warbler, American Redstart, Yellow and Yellow-rumped Warblers), to bring the regional total up to 65 species. Some other new and impressive high tallies for the region include 26 Greater White-fronted Goose and 19 Fish Crow counties (Mike Baum), 37 Northern Bobwhite and 9 Lark Sparrow counties (Craig Taylor), 34 Yellow-billed Cuckoo and 32 Blue Grosbeak counties (Jim Mountjoy), 25 Willow Flycatcher and 13 Pine Siskin counties (Pete Moxon), as well as 23 Least Flycatcher and 37 Nashville Warbler counties (Jeff Chapman). You can find numerous other highlights in the lists below!

The *Illinois Regional Map* can be accessed from the Listers Corner home page.

“Multiple observers” means that 5+ birders have reported the same total. *(updated 3/20/16)*
