

# IOS Listers Corner 2016

## Total Counties per Species List - Southern Region

(Top five totals per species - 38 possible counties)

We would love to see some submissions from Southern Region resident birders, but, as in the other two regions, the newly closed out species from Andy Sigler, continued digging through old records by Pete Moxon, an update from Eric Walters, and continuing visits from other county listers make for substantial changes in these lists.

There are now 85 closed-out species for the region, and 90 species have new maximum numbers reported. Some of the more impressive totals include 38 counties for Yellow-throated Vireo and Chestnut-sided Warbler (Andy Sigler), 17 Black Tern and 13 Brewer's Blackbird counties (Pete Moxon), 25 Northern Pintail and 27 Blackpoll Warbler counties (Eric Walters), 34 Red-shouldered Hawk counties (Michael Baum) and 38 Acadian Flycatcher counties (Jim Mountjoy). There are hundreds of other updates though, so enjoy scanning through these numbers for more highlights!

The *Illinois Regional Map* can be accessed from the Listers Corner home page.

*"Multiple observers" means that 5+ birders have reported the same total.*

*(updated 4/6/17)*
