Big Sit (50 minimum)

As defined by the New Haven Bird Club, all species must be identified from within a circle 17 feet in diameter during a single day. Teams may be identified by participants or Circle Captain, and team members are not limited to the listed birders.

For the third consecutive year a new state record was set at the Dixon Waterfowl Refuge.
What other exciting locations can teams come up with to add to this list??

County Big Days – Single Observer Big Days

Doug Stotz sent in quite a number of County Big Days, helping to flesh out this ever-expanding category. Beau Schaefer submitted the first two entries for Lake County; Stotz did the same for LaSalle and McHenry.

(Top three totals (top five in April and May); all 135+ County Big Days will be listed.)
