

IOS Listers Corner 2017

Total Counties per Species List - Central Region

(Top five totals per species - 40 possible counties)

With Andy Sigler's 'regional closeouts' submitted this year, 15 new species are added to the list of birds that have been closed out in the Central region including 'tough' birds such as Common Nighthawk and Blue Grosbeak, bringing the regional total to 89 species. However, more than 100 additional species also have new maximum numbers, based on information submitted by many observers. Some of the more impressive numbers in this report include 36 Common Goldeneye and 33 Least Flycatcher counties (Michael Baum), 36 Yellow-billed Cuckoo and 36 Summer Tanager counties (Jim Mountjoy), and 27 Caspian Tern and 13 Northern Shrike counties (Pete Moxon). Read on for more high numbers, changes in the lead, and 'photo-finishes' in the hundreds of little competitions below!

The *Illinois Regional Map* can be accessed from the Listers Corner home page.

"Multiple observers" means that 5+ birders have reported the same total. (updated 4/18/18)
