

IOS Listers Corner 2017

Total Counties per Species List - Southern Region

(Top five totals per species - 38 possible counties)

Again, the 'regional closeouts' submitted by Andy Sigler provide the headline news for the region, resulting in nine new species closed out and bringing the total number of closed-out species in the Southern region to 94. Andy's new closeouts include such desirable species as Wild Turkey, Pileated Woodpecker, and Blue Grosbeak. Some other species with notable new high tallies include 22 Mute Swan and four Anhinga counties (Pete Moxon), 31 Spotted Sandpiper and 19 Prairie Warbler counties (Craig Taylor), 18 Gray-cheeked Thrush and 36 Scarlet Tanager counties (Michael Baum), and three Harris's Sparrow counties (Rhonda Rothrock). There are hundreds of other updates below, reflecting the many hundreds of times a birder got the satisfaction of saying, "Aha! That's a new county bird for me!"

The *Illinois Regional Map* can be accessed from the Listers Corner home page.

"Multiple observers" means that 5+ birders have reported the same total.
