Historical Big Year List: All Illinois Big Years over 250 Species

Our smallest group for this list since 2006. Colin Dobson led the 300 club for the third time in four years. Steve Huggins became the latest birder to surpass 300 species in one year.

Final totals may change over time as listers make adjustments to their totals; for instance, in response to decisions by the Illinois Ornithological Records Committee related to sightings of review-list species.

Key: + = Cackling Goose added to total (pre-2004)
