

IOS Listers Corner 2020

Total Counties per Species List - Central Region (Top five totals per species - 40 possible counties)

In a busy year for TCPS in general, the Central region seemed to see a particularly high number of changes, due to new regional submissions from active Central Illinois birders such as Colin Dobson and Ted Hartzler, as well as updates from a number of regular contributors. In fact, we have seen enough contributions this year that we will be expanding this list to eight entries per species next year. At the top of the individual species lists there are new high numbers for a wide variety of species, including seven Black-bellied Whistling-Duck counties and 11 Fish Crow counties (Colin Dobson), 40 Ruddy Duck and Lincoln's Sparrow counties (Andy Sigler), five Scissor-tailed Flycatcher counties (Craig Taylor), 37 Summer Tanager counties (Jim Mountjoy), 11 Smith's Longspur counties (Ted Hartzler), and 10 Prairie Warbler counties (Dustin Holschuh). The total number of closed-out species in the region climbed to 131.

The *Illinois Regional Map* can be accessed from the Listers Corner home page.
"Multiple observers" means that 5+ birders have reported the same total. (updated 4/29/21)
