

IOS Listers Corner 2020

Total Counties per Species List - Northern Region (Top eight totals per species - 24 possible counties)

It was a busy year for the regional TCPS lists, with updates of close-outs from Andy Sigler, extensive updates from a number of regular contributors, as well as observers reporting regional totals for the first time. Some impressive new high totals include six Black-bellied Whistling-Duck counties (Craig Taylor), 24 Pileated Woodpecker counties (Andy Sigler), 17 Eurasian Tree Sparrow counties (Jim Mountjoy), seven Evening Grosbeak counties (Eric Secker), and three Kirtland's Warbler counties (Pete Moxon). The list of 'closed out' species for the region bumps up to 158 species, more than 20 species higher than any other region.

The *Illinois Regional Map* can be accessed from the Listers Corner home page.
"Multiple observers" means that 5+ birders have reported the same total. (updated 5/17/21)
