

# ***IOS Listers Corner 2021***

## **Illinois State Life Lists and Regional Life Lists**

**(minimums: 250 species for the state and 200 for each region)**

Per usual, the biggest news happens not only when rarities appear, but when they stick around long enough for birders to have a chance at adding them to their state list. The two species that jumped out during 2021 were the Waukegan Small-billed Elaenia and the Chicago Broad-billed Hummingbird. Both species were already on the state list, but 2021 provided only the second opportunity for birders to try for them. The 400 Club gained one new member: Cindy Alberico (Broad-billed Hummingbird). Jude Vickery (Evening Grosbeak) reached 350 since his last update. Wood Stork was #300 for Keith Bowers, as was the Limpkin for Scott Harp, the Broad-billed Hummingbird for Marc Perkowitz, and the Small-billed Elaenia for Jeff Bilsky. Notable first-time appearances on this list include Linda Radtke (335), Laurel Ross (330), Keith Bowers (311), Jeff Bilsky (302), and Regina McNulty (293). Birders showing the greatest increases in their totals since their last update include Peter Weber (+46), Michael Sweeney (+36) and Pat Andersen (+21).
