Historical Big Year List: All Illinois Big Years over 250 Species

Keith McMullen kept his streak of 300+ years alive; he's now at 24 years and counting. Alan Stokie reached 300 for the fifteenth time. It turns out that Jayne Leone actually joined the 300 Club in 2020 but only submitted that list when she submitted for this year. Both of her 300+ years are now included.

Final totals may change over time as listers make adjustments to their totals; for instance, in response to decisions by the Illinois Ornithological Records Committee related to sightings of review-list species.
