

IOS Listers Corner 2022

Year Lists: 2022, Regional & Alltime Big Years

Progression of the Big Year Record; Most 300+ Big Years

For the first time since 2009 Keith McMullen appears at the top of the Big Year list. 15 birders reached 300 species this year, second only to 2020's 19 birders. Out of the 15, seven appear for the first time: Jayne Leone, Alyssa Rod, Diana Rod, Gene Rod, Laurel Ross, Joe Lill & Audrey Carl. Jayne and Audrey deserve special mentions, however. In addition to submitting her total of 311 for 2022, Jayne also submitted her total of 303 from 2020. Audrey should be recognized for her persistence, as she had 299 in 2021. A Eurasian Tree Sparrow on December 26th put her over the top.

Final totals may change over time as listers make adjustments to their totals; for instance, in response to decisions by the Illinois Ornithological Records Committee related to sightings of review-list species.

Key: • = list submitted
