

IOS Listers Corner 2022

Total Counties per Species List - Northern Region

(Top eight totals per species - 24 possible counties)

The Northern Region has fewer counties, but more birders, than any other region, so it may seem more difficult to build upon some of the impressive numbers already established here. However, birders keep pushing those limits. Some exceptional new high totals are 12 American Avocet counties (Craig Taylor), 19 Stilt Sandpiper counties (Eric Walters), and 23 Common Redpoll counties (David Johnson). The list of 'closed out' species for the region remains at 161 species.

The Illinois Regional Map can be accessed from the Listers Corner home page.
 "Multiple observers" means that 5+ birders have reported the same total. *(updated 4/6/23)*
