Green Big Days (80 minimum)

Beau Schaefer set a new Green Big Day record; he pedaled his bike for 101 miles during his day.

Four categories are used, based on Jim Royer's Green Birding page:

G = no gas used; started from permanent or long-term residence

* = minimal driving; no participant drove over 100 miles to the start, or from the finish, from their residence

** = at least one participant drove over 100 miles to the start, or from the finish, from their residence

P = local public transportation (within ten miles of their residence) was used

(These Big Days were done via bicycle unless otherwise noted.)

County Big Days – Single Observer Big Days

Doug Stotz added 20 new entries for 2022 & 2023. Dustin Holschuh mined his records and came up with eleven new entries dating back to 2014, including the first total for Logan. Jim Mountjoy was also very active, with eleven entries covering nine counties. Illinois birders could search their files and likely find many more potential additions.

(Top three totals (top five in April and May); all 135+ County Big Days will be listed. 25 minimum.)
