## Historical Big Year List: All Illinois Big Years over 250 Species

Keith McMullen continued his streak of 300+ years; he's now at 25 years and counting.  
Alan Stokie reached 300 for the sixteenth time (with an active streak of ten years),  
and Scott Latimer made it for the ninth consecutive year.

*Final totals may change over time as listers make adjustments to their totals; for instance, in response to decisions by the Illinois Ornithological Records Committee related to sightings of review-list species.*
